**DECLARATION OF PETITIONER**

WILLIAM J.K. HAOLE, Petitioner herein, declares upon information and belief as follows:

1. I am the Petitioner in the above-entitled matter.
2. Respondent, ALICIA N. HUEU ("Mother"), and I have a child, ZNHHH DOB: 2014.
3. Mother and I are both from Maui and started dating 2011 and had our son in 2014.
4. Mother and I lived on and off together over the years until we ended our relationship in 2018 when she left the island for the weekend to be with

another man without telling me. At that time, Mother became pregnant and told me it was my child. Mother miscarried and we reconciled.

5. In May 2019, we lived in Keanae and then in July 2019, we moved back in to my parents' home in Kula with my son.
6. In December 2019, Mother moved out to occupy a foreclosed house in Haiku and had taken up a full-fledged career in the Kingdom of Hawaii dedicating herself to activism. She also self-proclaimed to be the Governor of Maui. My son and I remained in Kula; however, my son did stay with Mother a couple of nights a week.
7. While Mother was living in Haiku, she had an outstanding \$40,000 warrant. This concerned me greatly and I was worried for my son's well being and safety when he was with Mother.
8. Mother and I ended our relationship in on August 8, 2020. I asked Mother to return the truck to me since I was paying for it and owned it.
9. When she did return the truck to me, I had to pay off all the outstanding traffic tickets, back registration, and expired safety checks.
10. On August 19, 2020, Mother filed a TRO against me and a hearing was held on August 31, 2020.
11. During this time, I was not able to see my son for 12 long days and missed his birthday. During this time, Mother continued to contact my parents demanding a variety of things for me to comply with. She also suggested to my parents that I could see my son and that she would not report it.

12. While my son was in Mother's care on August 21, 2020, she was arrested for an outstanding warrant. She boasted about this on social media and uploaded a video of how my son witnessed the entire incident. In her social media post, she bragged how she was arrested by the "fake state."
13. At the hearing on August 31, 2020, the Honorable Adrienne N. Heely dissolved the TRO for insufficient evidence. Judge Heely awarded me 12 days of make up time with my son since that's how long I was not able to see my son during the TRO. After I explained my concerns to the court about what may potentially happen at the exchange, Judge Heely ordered Mother to return my son to me with no interference. The exchange was to take place at Oili Road, Haiku. Mother asked Judge Heely if this was a court order to which Judge replied "yes."
14. As my Mom and I proceeded to drive to Oili Road, Haiku, Mother called me and asked me to meet her at Pukalani Skate Park instead of Oili Road. She also demanded that I apologize to her first before she would return my son to me. Although she was ordered to return my son to me, she kept questioning whether or not it was a court order stating that she thought it was just a suggestion.
15. After waiting in the parking lot at Pukalani Skate Park for over 15 minutes, I recognized Mother's boyfriend's car. I walked up to the car and noticed that my son was not in a safety seat. As I reached in to get my son, Mother came in between us and started to chest bump me. She was deliberately and

intentionally trying to instigate and interfere with the exchange causing a scene in front of our son.

16. Approximately an hour after we got home with my son, I was arrested. Mother alleges that she was assaulted and injured. My TRO attorney, Kristin Cocco, came to the police station to explain what had occurred in court earlier that day, and I was released without bail. This unnecessary situation caused MPD to interview my son as well.
17. Mother is unstable, volatile, unpredictable, and irrational. I am worried for my son's safety and well-being when he is with her.
18. While we have shared co-parenting responsibilities in the past, I have always been the primary caregiver for my son.
19. I have a stable home with an immense amount of support from my family.
20. Mother has a pending criminal case for Burglary in the First Degree, Theft in the First Degree, Attempted Extortion in the First Degree, Riot, Obstructing Government Operations, Refusal to Provide Ingress/Egress, Telecommunications Service Fraud in the Second Degree, Criminal Property Damage in the Fourth Degree, and Criminal Littering. She also has a Criminal Trespass in the Second Degree, and Emergency Rules violation case pending.
21. Mother is residing or was residing in a foreclosed house in Haiku and shared a property with a meth addict.
22. Our son is currently enrolled in distance learning at Kula Elementary School. I am asking that he remain at Kula Elementary School.

23. I am asking for joint legal custody and sole physical custody and am proposing that Mother have our son every other weekend from Friday, 4:00 p.m., to Sunday, 4:00 p.m., with exchanges to take place at a public location. I am hoping Mother and I are able to reach a resolution regarding an access schedule.
24. I am asking for an order that Mother not be allowed to remove our son from Maui without my consent.
25. I am asking that both Mother and I participate in and complete co-parenting classes.
26. I am asking for an order that Mother and I only text each other regarding matters related to our son.
27. I am asking that child support be waived.
28. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and information.

Attorney for Petitioner

Alicia N. Hueu, Respondent herein, declares upon information and belief as follows:

1. I am the Respondent in the above-entitled matter.
2. Petitioner, WILLIAM J.K. HAOLE JR (Father), and I have a child, ZNHHH DOB: 2014.
3. Father and I are both from Maui and started dating 2011 and had our son in 2014.
4. Father and I lived on and off together over the years until we ended our relationship in 2019 when he left to be with another woman without telling me. We reconciled shortly after.
5. In May 2019, we lived in Keanae and then in July 2019, we moved back to Father's family property home in Kula because my uncle Jesse Hueu threatened my life and the life of my son which resulted in an Order for Protection FCDA No. 19-2-0371 granted to me, protecting my son and I from Jesse Hueu until August 12, 2024.
6. In March of 2020, I moved out of Kula to renovate a home in Haiku that had been recouped from a potential foreclosure. The home is not in foreclosure at this time and is owned outright by David S. Langer as identified by TMK 270122210000 located at 1578 Kauhikoa Rd. Keanae, HI 96708. Father knew I was working on renovations to this house, he and our son stayed overnight with me here at the property on multiple occasions. He also willingly dropped my son off here daily, and knowingly allowed our son to be at the property and sleep at the property with me.
7. I work in a humanitarian relief capacity to Native Hawaiians who are experiencing displacement and enduring repercussions and gun violence retaliations stemming from police corruption as clarified by Police Report #19-050841. I have not taken up a full-fledged career in the Kingdom of Hawaii, I serve as a public official representative for the Kingdom of the Hawaiian Islands. I did not self-proclaim to be the Governor of Maui, I was appointed to the position.
8. I had a warrant out for my arrest since 05-22-20 for matters relating to a civil dispute over land title, matter 2CPC-20-0000237. William knowingly dropped our son off to me for childcare between 5-22-20 and 08-03-20, for the entire duration of the time in which I had an outstanding warrant. Father willingly dropped our son off to me for childcare during the time in which I had an outstanding warrant. Father was on site at the scene of my original arrest that led to these charges. Father did assist with the land reclamation initiative in Kipahulu that led to my initial arrest and these charges that probed a warrant for my arrest. Father can be seen on video at scene of my arrest, assisting me with asserting our interest to the land in dispute.
9. Father and I ended our relationship on August 4th, 2020 when he condoned my sister's actions of physically attacking me on August 3rd, 2020. Father sent text messages and made harassing call following the incident verbalizing that I deserved to be physically attacked and that I should "take my lick" in other words take my beating. I was worried for my safety and my son's safety after my sister attacked me at the home in Haiku I was living in and decided to take refuge at a friends house in Haiku where I felt safe. Father expressed pleasure in me being physically attacked which concerned me greatly. I am worried for my son's well-being and safety while in his care. Over the next few days after the physical attack and ending my relationship with Father, he began a series of retaliations including posting slanderous information on social media, spreading extensive mistruths and threatening that he would withhold my son from me and actually withholding my son from seeing and talking to me.

was waiting on the time in which I would have the necessary money to do so as I did not want to leave my son with his violent Father. Father in collaboration with one of my sisters who did track my location and give my location to police officers on August 21st in an attempt to leave my son vulnerable to abduction by my sister who had plans to take my son to Father and violate the temporary restraining order we had in place. She was texting the friend I was with when I got arrested saying "Where is my nephew, Found him, thanks for nothing you fucking scrub" and "fuck you". At the scene of my arrest I reiterated to police that I had a restraining order on Father and that I was directing the trusted friend I was with to take care of my son until I was done being processed and bailed out. Police checked on the welfare of my son who verbalized he was comfortable with my trusted friend while I was being processed at the police station. My friend posted bail for me two hours after my arrest. My friend endured much harassment from Father and my sister Mary Ann Pahukoa during the time in which I was detained. Father and my sister who were attempting to gain possession of my son were tracking my friends phone and chasing him down despite the restraining order that was in place. My sister is emotionally unstable having been charge with aggravated assault on 08-08-20 when she physically and violently attacked the father of her children who now has a restraining order in place against her. My friend and his mother endured much harassment from Father that day. Father called my friends mother screaming at her and yelled that she was kidnapping our son despite my friends mother's address being logged on my restraining order as my address and declared place of safe refuge while I was worried for my sons safety.

15. On August 31st, Judge Heely denied my petition for an injunction against harassment against Father due to insufficient evidence. Judge Heely ordered that our son spend twelve days with Father to balance the time in which he was with me during the period of our temporary restraining order. I called the Family Court to clarify if this was a suggestion or an order as I felt there was potential for Father to retaliate upon me in a violent manner and because of this I called Father to request we meet in a public place instead of the house in which I was staying at. I willingly drove to exchange our son with Father at Pukalani Skate Park. Once I arrived, I got out of the vehicle and proceed to the rear passenger door to get our son out from his car seat. I just opened the door and at that point Father did approach my vehicle from behind and shoved me up against the inside of the door and pinned me there using his back while he unbuckled our son from his car seat and then proceeded to violently take our son by force. I was physically abused in the process and was very concerned that my son had to witness this act of forceful violence. I documented this physical abuse with Maui Police Department Report #20-030941. Father makes claims our son was no in a car seat but police report documentation proves his car seat was in the vehicle. I was treated at Kula Hospital for the shoulder and neck pain that developed after the incident. Had I been given the restraining order I requested in court that day, this act of physical violence against me would not have happened and my son would not have had to witness Father act in violent ways toward me.
16. Father has become violent and volatile as a result of our breakup. Father is emotionally unstable making consistent threats, allegations and harassments of myself. Father needs anger management courses. I am worried for my son's safety and well-being when he is with him. Father continues to assert false claims that I am on drugs in attempts to blackmail me as a bad and incapable mother. I have never done drugs in my life. All of this has escalated to this because I wanted to end my relationship with him. He is attempting to gain full physical custody of our son as a way to retaliate against me, punish me and control my life so he can dictate where and when I can see my son.
17. Father has pending charges for physical abuse, Maui Police Department Report #20-030941.

with exchanges to take place at a public location. I am hoping Father and I are able to reach a resolution regarding an access schedule.

28. I am able to provide a safe home and consistent education for my son. I just began a new position working full time for the Global Mana Foundation. My work schedule is from 2:00pm- 8:00pm Wednesday through Sunday and I work from home online. I am hoping for joint custody to have the flexibility for Father to have our son during the time frames in which I am at work and occasionally overnight on those days.
29. I am asking for an order that the truck registered in both of our names be held and utilized by the parent who is holding a full time job position and that parent be required to take care of the truck payment. Should both parents be holding a full time job position at any time in the future, sharing of the vehicular asset should be coordinated according to work schedules.
30. I am asking for an order that Father not be allowed to take my son to 13705 Hana Hwy Keanae, HI 96708 until August 12th, 20204 for the duration of our protection order FCDA No. 19-2-0371.
31. I am asking for an order that Father not be allowed to remove our son from Maui without my consent.
32. I am asking that both Father and I participate in and complete co-parenting classes.
33. I am asking for an order that both Father and I remain in connection by both text and verbal communication by phone call which is necessary to ensure transparency in the best intended care of our son.
34. I am asking that child support be waived.
35. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and information.

STIPULATED JUDGMENT OF PATERNITY

☒ Petitioner [ ] Respondent William J.K. Hoole, Jr. (father's name) acknowledged paternity of subject child in writing.

[ ] Petitioner ☒ Respondent Alicia N. Huev (mother's name) acknowledged maternity and paternity of subject child in writing.

Respondent \_\_\_\_\_ (legal or presumed father) executed an Affidavit verifying that he is not the natural father of subject child, as he did not have access to the Natural Mother during the child's conception period.

THE PARTIES UNDERSTAND THEIR RIGHTS, WAIVE THOSE RIGHTS AND FREELY STIPULATE TO THE ENTRY OF THE FOLLOWING ORDERS:

BASED UPON A PREPONDERANCE OF THE EVIDENCE, IT IS HEREBY ORDERED AND ADJUDGED AS FOLLOWS:

— The presumption of paternity of \_\_\_\_\_ (legal or presumed father) is rebutted by clear and convincing evidence and he is dismissed from this action as a party Respondent. Accordingly his name shall be deleted from the caption of this case and from subject child's Certificate of Live Birth naming him as the father of said child, and all references hereinafter made to the Respondent or Father shall be to \_\_\_\_\_ (father's name).

BIRTH CERTIFICATE:

— The Department of Health shall prepare a new Certificate of Live Birth for subject child inserting Respondent's name thereon as the father. ☐ Said child's name shall be changed to:

Petitioner,

vs.

WILLIAM J.K. HAOLE JR.

Respondent.

FC-DA NO. 20-1-0375

**TEMPORARY RESTRAINING ORDER**

Hearing Date: AUG 31 2020

Judge: **Presiding Judge**

THIS ORDER EXPIRES ON: FEB 16 2021

**TEMPORARY RESTRAINING ORDER**

Based upon the Ex Parte Petition for a Temporary Restraining Order for Protection and Statement of the Petitioner and pursuant to HRS Section 586-4(c), the Court finds there is probable cause to believe that a past act or acts of abuse have occurred, or that threats of abuse make it probable that acts of abuse by the Respondent may be imminent.

It appears to the Court that a Temporary Restraining Order for Protection should be granted and is necessary to prevent acts of abuse or recurrence of actual domestic abuse by requiring that the parties be separated for a specific period.

**IT IS HEREBY ORDERED** that the Respondent appear before the Judge in the above-entitled proceeding at the date, time and place indicated in the attached Notice of Hearing to show cause why this temporary restraining order should not continue.

[ ] The court also finds the Respondent owns, intends to obtain or possesses a firearm and that the firearm may be used to threaten, injure or abuse a person.

I hereby certify that this is a full, true  
and correct copy of the Original.
